

Review Comment (RECO)

1. Review Comment

Review comment is a request to TSDSI to contribute to a Standard.

Members will send a request to secretariat of TSDSI about RECO, based on requirement and impact of the particular RECO, TSDSI will update the standard and will open a Study Item or Work Item.

2. How to send?

For each and every request user has to use the predefined template. Fill the template and send the same to the TSDSI secretariat pavan@tsdsi.org. Based on the details provided, the request will be processed and will create an RECO.

3. Details to be provided in the Template

- Name of the TSDSI Standard (Document No)

4. Fields in RECO.

1. Name of the RECO (Title)
2. TSDSI Standard Version
3. Page No
4. Clause or Section
5. Reason
6. Comment
7. Suggestion
8. Type of Comment

5. Rules to fill the template:

1. **Mention proper version of the TSDSI Standard.**
2. **Don't use images**
3. **Don't alter the heading of the template and don't increase the number of tables in the template.**
4. **Extend the table rows to add details but don't create new table.**
5. **Increase the table height to add more details but don't add any extra column.**
6. **Save the Document as “.xls” format (Windows 2003 Format), otherwise it will be treated as invalid.**

6. How to fill?

Below are the format of the TSDSI Standard:

TSDSI Standard: TSDSI-STD-XXX-VX-X-X-YYYYMMDD

STD: Standard

XXX: Number

VX.X.X: Version of Standard (Major, Technical, Editorial)

YYYYMMDD: Date (20141128)

7. Sample RECO Template

Below is the sample RECO filled template, all the details filled for demonstration. No field is valid.

Review Comment Template

[Form to be used for submitting comments or change requests for any of the documents in TSDSI]
