

In order to get your company/ institute/ organization admitted as a member of TSDSI, please register yourself on the TSDSI website(www.tdsi.org) first. After registering on the website, you can register your organisation.X

Step 1. Kindly register yourself on <http://www.tdsi.org/accounts/register/> Use your official E-mail id. An activation link would be sent to the registered Email-id.

Step 2. After registering and clicking on the activation link(sent in the mail), please login at www.tdsi.org.

Step 3. Register your organization on <http://www.tdsi.org/main/membership/> Select the appropriate category, to which the organization belongs. It will take you to a sign up page. You will be required to give some information about your organization. It is not mandatory to upload Registration certificate etc. at this stage. It can be done later too.

Step 4. Fill in the appropriate category, and submit.

Once successfully registered, you would be notified via a mail. TSDSI secretariat will now send, an invoice for Admission fee and Membership fee to the organization. The amount shall be as per the table below –
